II. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

I. Introduction

I apologize for the difficulties and confusions to overview and understand the events for the lack of generalization and summarization. As a fact that from every letter to all the petitions and motions are by me myself only who doesn't have jurisprudence background nor English language background. There are barriers in communication, understanding and differences in cultural, background, but there are no diversities to the legality and fact. A crime is a crime, an offense is an offense, a misconduct is a misconduct. All I wanted was back home, all I tried was to protect myself, how I have been was passive, all I have done was struggling, but even the basic human right was not given. No matter how criminal one individual is, it doesn't determine how the society is, but now a group of individuals, the whole Seattle Municipal Court and Seattle City Attorney are leading the crimes harboring the criminal while destroying innocent lives, they don't care about the legality, logic, moral or shame and dignity. Some of the King County Attorney, the Washington State Attorney know the best in how to push away their duties. The Seattle Municipal Court and Seattle City Attorney know such the best in committing and creating crimes, though they watched crimes happening under the nose, granted no human rights, they don't even care who is criminal, who did crime. So, can I doubt this Seattle City? Can I doubt this King County, this State, this country? This Seattle Municipal Court and Seattle City Attorney are banded with King County Attorney, I wish maybe the connection has not reached to the district. I am sad, I may cry, I am happy I may smile, I am tired, I may sleep, I am thirsty, I may drink, I am in pain, that's why I yell and go the hospital.

Every event and case here is truthful, all the inferences are well proofed or provided with evidence, I grant and swear my best honesty. I proofed my innocent, though Miguel Rivera didn't, he didn't proof his innocent, he didn't respond to my alleges, he didn't deny his crimes, Seattle City Attorney didn't, Seattle Municipal Court didn't, because they couldn't. That's why they all have mislead, they stayed quiet to what I alleged, all they have done is debarbed. Except the fact that my expressions and choices on words and sentences may cause difficulties and confusions in understanding, I dare all is true, they have dared true.

II. The grounds for the court's jurisdiction

1. Diversity Jurisdiction

According to 28 U.S. Code § 1332 (a)

The district courts shall have original jurisdiction of all civil actions where the matter in controversy exceeds the sum or value of \$75,000, exclusive of interest and costs, and is between—

(1) citizens of different States.

(2) citizens of a State and citizens or subjects of a foreign state, except that the district courts shall not have original jurisdiction under this subsection of an action between citizens of a State and citizens or subjects of a foreign state who are lawfully admitted for permanent residence in the United States and are domiciled in the same State.

(3) citizens of different States and in which citizens or subjects of a foreign state are additional parties; and

(4) a foreign state, defined in section 1603(a) of this title, as plaintiff and citizens of a State or of different States.

Most of the defendants are citizens of different States, only two of them resident in this State, who didn't participate significant part of the body. For clarification, Miguel Rivera is primarily a citizen of the State of FL and PA, he did resident in the State of NY, CA, NJ, NC as well. There are more residents I am not aware of. Due to Miguel Rivera is harbored by the Seattle Municipal Court, the Seattle Municipal Court and Seattle City Attorney are protecting this criminal, thus, I located him at the same address at where his representative court and attorney at. Additionally, as previously filed and as the proof of his identities, there are two Social Security numbers belong to him which I believe is a violation of the US code as well. It is side evidence of Miguel Rivera as a fraudulent individual and the continuing misconducts of Seattle Municipal Court and Seattle City Attorney.

2. Federal Question Jurisdiction

According to 28 U.S. Code § 1331 – Federal question

1 The district courts shall have original jurisdiction of all civil actions arising under the
2 Constitution, laws, or treaties of the United States.

3 The civil actions arising under the Constitution, laws, or treaties of the United State are as
4 below and the detail of each action is under the statement section.

5 i. The First Amendment.¹

6 **(1) The right to petition the Government for a redress of grievances.**

7 As an unwritten rule, most of higher courts will decline the appeals without "final
8 decisions". Based on that, Seattle Municipal Court and Seattle City Attorney kept delaying
9 the trail date. In order to expropriate my rights, they forged and framed me of "insane" as
10 their excuse to delay the trail. All of them the judges and prosecutors have not once
11 provided once nor one reason to the order of valuation. There are three times in written,
12 twice in person that I emphasized the nature of events to the Seattle Municipal Court and
13 Seattle City Attorney, as results they denied all of them illegally for failing to proof me
14 wrong and to proof the Miguel Rivera as innocent. Against to court rules and laws, against
15 to the truth, nature, fact, logic, the chain of right and wrong, they put me in jail for times
16 after times, the purpose is to reduce waste of resource and time, which has become their
17 weapon to achieve autarchy and hegemony. "No final decision", the city attorney repeated.
18 That's how they petitioned the denial of motion to appeal by stepping on the rules, laws
19 and humanity.

20 **(2) Defamation/Libel/Slander/Abet**

21 See, e.g. TXO Production Corp. v. Alliance Resources, 509 U.S. 443 (1993).²

22 Regarding to the disputed issues of fact, the record shows, inter alia, that Seattle Municipal
23 Court (aka: SMC) and Seattle City Attorney (aka: SCA) knew that 1. I experienced crimes, I
24 am innocent, while the DVPO No. 21-1-05123-8 was not valid, it was a verified fact of

¹ The First Amendment guarantees freedoms concerning religion, expression, assembly, and the right to petition. It forbids Congress from both promoting one religion over others and also restricting an individual's religious practices. It guarantees freedom of expression by prohibiting Congress from restricting the press or the rights of individuals to speak freely. It also guarantees the right of citizens to assemble peaceably and to petition their government.

² In affirming, the State Supreme Court of Appeals, among other things, rejected TXO's contention that the punitive damages award violated the Due Process Clause of the Fourteenth Amendment as interpreted in *Pacific Mutual Life Ins. Co. v. Haslip*, 499 U.S. 1, 111 S.Ct. 1032, 113 L.Ed.2d 1.

Held: The judgment is affirmed. For \$19,000 in actual damages and \$10 million in punitive damages.

1 defamation and perjuries of the defendants. 2. Miguel Rivera (aka: MR) had perjured and
 2 framed, there are police reports, identity theft report, etc. of facts. 3. MR is criminal, he has
 3 lots of criminal background provided with court records. 4. There is no effective or factual
 4 evidence to support his and the SCA's alleges of domestic violence or violation. 5. The
 5 declarations of Ildiko Baldwin, Charlie Joe Wing, Csilla Travis, Remington Yhap were verified
 6 as perjuries of their collusions; the declarations of Donnie, Cristy Smith, Officer Abshir were
 7 untruthful. 5. MR knew the fact of his crimes, so that he colluded to frame me and to
 8 abscond. 6. SMC and SCA knew all the facts which had been filed to the court and
 9 emphasized over 5 times each on different hearings in person, they violated the due of
 10 process and laws, and framed me of violation and "insanity".

11 **(3) Restatement (Second) of Torts³**

12 Under the Restatement (Second) of Torts, Ch. 25, Topic 2, §§ 585-592A, absolute privilege
 13 extends to judicial officers, attorneys, jurors, witnesses in legislative proceedings, legally
 14 required publications, and statements made by a party during trial or in a pleading.

15 **(4) Advocacy of Illegal Action⁴ / Due Process Clause⁵**

16 There are good titles to human rights and basic legal rights at issue; though the defendants
 17 acted in bad faith by advancing their power on those decisions on the basis of illogical
 18 perjuries, collusions and discriminations instead of humanity in an effort to screen the truth
 19 and obviate providing one reason for their dismissals but to prison the truth and to harbor
 20 the criminal; that the anticipated results and decisions by governors—and therefore that
 21 SMC and SCA sought to frame and prison—were substantial; that they are who have power
 22 and authority, a large, wealthy, well-connected municipal employees; and it is reasonable
 23 to believe that had engaged in nefarious activities in the country and county jail.

24 ii. The Fourth Amendment

³ The detail is in the statement section.

⁴ In *Brandenburg v. Ohio*, 395 U.S. 444 (1969), the Supreme Court held, "the constitutional guarantees of free speech and free press do not permit a State to forbid or proscribe advocacy of the use of force or of law violation except where such advocacy is directed to inciting or producing imminent lawless action and is likely to incite or produce such action."

⁵ The Due Process Clause of the Fourteenth Amendment as protecting the rights in the First Amendment from interference by state governments.

The right of the people to be secure in their persons, houses, papers, and effects, against unreasonable searches and seizures, shall not be violated.

Please refer to *Attachment 1*, police officers trespassed on my property.

iii. The Fifth Amendment⁶

(1) Due Process-- Double Jeopardy⁷

For the same reason of "Violation of protection" I have been charged for seven times on records (with case numbers) and many additional times without case numbers. (*Dockets in Attachment 2*)

(2) The promise of legality and fair procedure

The prosecutors and judges neglected the fact that King County Superior Court had dismissed MR's petition for protection, they perjured to put me in custody. All of which I had proofed my innocent and the criminal fact of Miguel Rivera. Furthermore, (an) intent is the (logical) basis of crime, all the MR's alleges were not worth consideration at all. How vulnerable one person full of criminal records and abusive history needed to be to be abused by someone new to the state who has no local connection, no criminal background but barriers in language and more in culture.

(3) Guarantee Of A Fair Trial

a) Repeatedly in jeopardy of life I had been suffering both physical and mental tortures

⁶ The Fifth Amendment creates a number of rights relevant to both criminal and civil legal proceedings. In criminal cases, the Fifth Amendment guarantees the right to a grand jury, forbids "double jeopardy," and protects against self-incrimination. It also requires that "due process of law" be part of any proceeding that denies a citizen "life, liberty or property" and requires the government to compensate citizens when it takes private property for public use. No person shall be.....nor shall any person be subject for the same offence to be twice put in jeopardy of life or limb; nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

⁷ While there is no definitive list of the "required procedures" that due process requires, Judge Henry Friendly generated a list that remains highly influential, as to both content and relative priority:

1. An unbiased tribunal.
2. Notice of the proposed action and the grounds asserted for it.
3. Opportunity to present reasons why the proposed action should not be taken.
4. The right to present evidence, including the right to call witnesses.
5. The right to know opposing evidence.
6. The right to cross-examine adverse witnesses.
7. A decision based exclusively on the evidence presented.
8. Opportunity to be represented by counsel.
9. Requirement that the tribunal prepare a record of the evidence presented.
10. Requirement that the tribunal prepare written findings of fact and reasons for its decision.

1 from the Miguel Rivera and the governance. (*Attachment 3*)

2 b) The Miguel Rivera sold out my private properties and the shared properties, which
3 included a lot of evidence and my passport. There, without identity papers or cards I
4 stayed nowhere for 43 days during the snow the new year the birthday... (*Attachment*
5 4) Police officer took my access card in King County Jail.

6 c) The Miguel Rivera has been verified and proofed as a fraud and abuser with the
7 declarations of his prior. His husband, ex-boyfriends, families, friends had experienced
8 with court records and other official records. The neglect and mistreat of Seattle
9 Municipal Court, Seattle City Attorney and King County Superior Court had not only
10 deprived me of life, liberty and property, but also as nuisance and public nuisances to
11 the rest.

12 d) No reason for their decisions or process, no due process at all, no just compensation;
13 no fairness, no justice, no dignity, no humanity.

14 **(4) Trial Procedure-- preponderance of the evidence**

15 Once a trial begins, the U.S. Constitution affords further rights to criminal defendants.
16 Trying to avoid convicting an innocent defendant at all costs, the law only permits the
17 prosecution to overcome the defendant's presumption of innocence if they can show the
18 defendant's guilt beyond a reasonable doubt. This very high burden differs drastically from
19 a civil trial's much lower standard in which the plaintiff must only prove a claim by a
20 preponderance of the evidence⁸.

21 iv. The Sixth Amendment⁹

22 **(1) Public trial without unnecessary delay¹⁰**

23 **(2) The right to trial by impartial jury.**

24 Never was informed of the nature and cause of the accusation after being proofed not

⁸ Preponderance of the evidence is one type of evidentiary standard used in a burden of proof analysis. Under the preponderance standard, the burden of proof is met when the party with the burden convinces the fact finder that there is a greater than 50% chance that the claim is true. This is the burden of proof in a civil trial.

⁹ In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defense.

¹⁰ As above mentioned, while more detail in the statement section

1 guilty, the Seattle Municipal Court and Seattle City Attorney are as criminals and the
 2 harbor of crimes, (*Attachment 5*)

3 **(3) Right to confront witness.**¹¹

4 In *Mattox v. United States*, 156 U.S. 237 (1895), the Supreme Court enunciated the three
 5 fundamental purposes that the Confrontation Clause was meant to serve:

- 6 a) To ensure that witnesses would testify under oath and understand the serious nature of
- 7 the trial process;
- 8 b) To allow the accused to cross-examine witnesses who testify against him; and
- 9 c) To allow jurors to assess the credibility of a witness by observing that witness's behavior

10 The accused enjoyed no right to a trial, On the hearing of 06/30, the judge asked me
 11 about the trial, notified me of the risks to be "pro-se", I insisted and answered: "I do
 12 know, and I am aware of the possibility of punishment, no matter one year, even one
 13 hundred years I won't have any concern, because I never had done so." The judge
 14 simply ignored the fact and neglected the real crimes, instead, she placed an order for
 15 competency evaluation and put me in custody, without any reason or response, or any
 16 proper legal process.

17 There is no confrontation with the witnesses, more exactly there are no witnesses
 18 supported their charges, all had been verified as perjuries and collusion. (*Attachment 6*)

19 v. The Eighth Amendment

20 **Excessive bail shall not be required, nor excessive fines imposed, nor cruel and**
 21 **unusual punishments inflicted.**

22 (1) Excessive bails were required, excessive fines were imposed. (*Attachment 2&7*)

23 (2) Cruel and unusual punishments were inflicted, that the court failed to identify the

¹¹ In *Lee v. Illinois*, 476 U.S. 530 (1986), the Court noted that the Confrontation Clause is one of several constitutional safeguards to promote fairness in the criminal justice system. In *Ohio v. Roberts*, 448 U.S. 56 (1980), the Supreme Court left open the possibility that competing interests, such as a jurisdiction's interest in effective law enforcement, might prevail over the right to confront opposing witnesses. However, in *Coy v. Iowa*, 487 U.S. 1012 (1988), the Supreme Court held that taking other interests into account should not be interpreted as creating exceptions to "the irreducible literal meaning of the clause," reaffirming that a defendant has the right to confront his alleged victim "face-to-face."

2 vi. The Thirteenth Amendment

3 **Civil Rights¹² -- Discrimination¹³**

4 A civil right is an enforceable right or privilege, which if interfered with by another gives rise
5 to an action for injury.

6 vii. The Fourteenth Amendment¹⁴

7 **(1) Equal Protection¹⁵ -- Discrimination**

8 a) Referring to 18 U.S. Code § 242¹⁶, SMC had multiple times directly practiced obvious
9 actions on hearings:¹⁷ For example: The hearings of 6/28 and 6/30, around the same
10 time section of both hearings, both judges denied my motions in the same format of
11 sentences, claimed exactly as "non-relevant", both judges made the same malicious
12 statement about my English language in order to revoke my right to have interpreter.

13 b) Except above mentioned Amendments, they have been too lawless to perform their
14 titles, not even humanity, the fact of discrimination can be conjectured and penetrated
15 on every hearing. Most representatively, the results of hearings were pre-decided, SCA
16 charged me for what they knew as perjury, SMC prisoned me knowing I am innocent,
17 granted warrants knowing I was in a fever.

18 **(2) Conspiracy**

19 Referring to 42 U.S. Code § 1985, 18 U.S. Code § 241, and Attachment 2 and other related
20 records, it's unchangeable fact of conspiracy and conspiracy to interfere with civil rights,

¹⁶ Deprivation of rights under color of law. Whoever, under color of any law, statute, ordinance, regulation, or custom, willfully subjects any person in any State, Territory, Commonwealth, Possession, or District to the deprivation of any rights, privileges, or immunities secured or protected by the Constitution or laws of the United States, or to different punishments, pains, or penalties, on account of such person being an alien, or by reason of his color, or race, than are prescribed for the punishment of citizens, shall be fined under this title.

3 b) Obstructing justice; intimidating party, witness, or juror.

4 c) Depriving persons of rights or privileges.

5 **(3) Deprivation**

6 Referring to 42 U.S. Code § 1983¹⁹, it is repeated deprivation for the violations, offenses,
7 misconducts, omissions, and disabilities

8 **3. Additional grounds-Civil/human rights**

9 How factual and distinct it has been, how absurd and pathetic they have been. See
10 Attachment 8, 9 & 10, I filed conversation and text records, listed the happened, happening
11 crimes, set forth the nature of cases, exhibited MR's criminal background; I honestly
12 delivered what I went through, his priors had supported with declarations. For example,
13 SCA has the records of his two marriage certificates²⁰ as filed, with the fact and additional
14 evidence from himself and his group²¹, the crimes of bigamy, marriage fraud, fraud, perjury,
15 conspiracy were set in stone. Though, it's worthless no matter how many facts but perjuries
16 and lies convinced themselves. There was no supportive evidence, so they created; there
17 was no response or argument about the crimes, so they obviated; they had no reason to
18 dismiss my motions, but they still had done; when I requested reasons and responses on
19 hearings, they shut down then shut me down imprisoning me; when all the charges alleges
20 had been proofed as perjuries, when finally it came to the trial, they placed order for
21 competency evaluation, framed me of insanity; when they forced the delay and order, so
22 that they forced me to appear in person, they repeatedly imprisoned me; when I was in a
23 fever, they granted warrants. "We told the court you were sick, but the judge issued the
24 warrants anyway."²² "I'll ask the court to schedule the hearing……you'll need to appear in

There were not once any rights, any human rights, even if just one, single one, even if one of those had a little drop of humanity, justice could have been reached, though, therefore the fact is the reversed. They are just sitting up there enjoying the honor, appearing, speaking in a certain way; judging, claiming the just; deciding, governing lives, acting. They are the louder, where stories come from; when they talk, stories can be heard; in a factual way, in a hidden way, in a different way, in their way.

III. Statement of the claim

Please refer to Attachment 15 and attached Police Reports.

1. Identity theft (Attachment 15 page 1-2)²⁴ and Identity Theft Report, number: 137999247

²³ Attachment 14, in the declarations and statements of motions, I noticed the connection and logic of behavior mode from MR, I predicted what SMC would do if there's no end of misconducts in order to emphasize and highlight the truth and nature. “There are a thousand ways for them to put me in custody.” As results, nothing worked, SMC even didn't review what I filed.

8 4. Omission and misconduct 2: KCA, SMC and SCA.

9 5. Digital signature violations²⁶-Identity theft (Attachment 17, Police Report 2021-183800).

10 In order to hide this fraud, MR forged my signature on the lease agreement, refused to
11 provide me the copy of lease agreement. That's also when the above 1 took place around
12 November 2020.

13 6. Omission and misconduct 3: KCA, SMC and SCA.

14 7. Bigamy-Marriage Fraud.

15 As on Attachment 15 page 3-4, MR is married to two individuals certified in Lee County, FL

His estranged husband (Miguel Rivera) married him when he was already legally married to two other individuals. He discovered Rivera had another husband, and wife. They were originally married in Indonesia, and later certified their marriage in New York when they moved to the United States. 15 18. MR libeled me to his friends and to my friends and families. He didn't let go any chance

⁴⁰ From Wikipedia, the free encyclopedia-Stan Lippmann

Not to be confused with the computer scientist Stanley B. Lippman.

Stanley Irving Lippmann is a disbarred lawyer, anti-vaccination activist and a perennial candidate[1] from the U.S. state of Washington.

Political campaigns

Mr. Stan Lippmann ran for public service in various positions including, Mayor of Seattle, Seattle City Council, [[U.S. House of Representatives and State Supreme Court. Also, Mr. Lippmann and Mr. Scannell were denied running for State Supreme Court. A judge ruled that they were not eligible for the State Supreme Court challenge as disbarred attorneys and ordered their names to be removed from the Washington state website. Both were removed from the ballots despite not properly being served for the legal challenges.

Controversies

===Disbarment=== October 24, 2008, Lippmann was disbarred from the practice of law according to the Washington State bar for financial neglect, ignorance in misappropriating funds, failure to meet his fiduciary responsibility under contracts . Though the Seattle times article references other charges and accusations it was not related or referenced in the Washington State Bar notice for disciplinary action. Further, there was no theft as the basis for the complaint was the pure ignorance of not following the appropriate state protocols for financial management when executing client funds upon services not completely rendered or rendered.[5][6]

Appendix 1 additional fraud.

6 the safe money topic has happened for at least 5 times in serious and every time he did
7 promise and sometimes, they were on papers.

8 20) He called me a drug addict for many times to me in person. And I do not know how
9 many times to others.

10 21) He said Csilla had a second time tested my hair and handed him the result in person.

2 23. Perjury and collusion-Please refer to the Attachment 27 as following

3 24. 10/4/2020-11/3/2020 MR started to discuss with Charlie Joe Wing of falsities. Fraud of
4 lease payment forged my signature on lease agreement, theft my identity for EBT
5 benefit were found out afterwards.

6 25. 11/4/2020-11/18/2020 He cut down my finance, I lived by the left in the refrigerator at
7 the whole time. When I was asleep, he took my phone, called AT&T to cancel my
8 mobile service; he put water into my iPad and destroyed it, shut off Wi-Fi with a lie of
9 cancellation. he took my passport, framed me to my family after knowing my mom was
10 having a surgery. I struggled and stayed together, after times of threats, I decided to
11 leave and asked for a peace end from him, I booked the flight ticket. But he's not
12 satisfied with that, he took my passport and other belongs to control me and to stop
13 me from leaving while framing and libeling me, colluding with Ildiko Baldwin, Bryan
14 Baldwin, Charlie Joe Wing, Stanley Lippman until 11/18/2020 he threw me out like
15 some trash.⁴¹

⁴¹ He was my first relationship, he showed me love, I loved him, I am also willing to believe there was love from him, there he really tried to change and wished a new life. The words like "I used to prefer a lot of friends around." "I used to party a lot." "People love me." "I feel abandoned if you leave me." "I am gay, so marriages can be optional." "I lived a toxic life." "I will change." "I want to be with you for no matter what." "You are making me a better person." "I promise." "I used to be a lawyer." "I'm good at laws." "Once a month is not bad." some other statements about his family and more. There were some confusing empty parts, which were touched and filled with a strong emotion. After knowing the real MR, after the bubble exploded, I figured out those other half meanings, the empty parts were from the fraudulent inner personality. He is a fraud, a chronic fraud that's why he lied a lot to me at the first night, I can only remember for once he mentioned about mortgage to me before the relationship. I believe the relationship before Indonesia can be considered as pure and real compare with the continuing. His issues grew by the further I was away from home, the closer to his past, the stronger power he gained, more frequently, more abusive, more deceives. The level of changes was detectable every time we moved. "Do you know how powerful Americans are in Philippines?" and kicked me out the first day I left home. The first time he beat me after moved to Vietnam. I believe the first time he cheated was in Indonesia. The first racist threats were right after the last move to here. "I know I have control issues." "It's my fault." "Please don't leave." "I didn't realize that." "I didn't expect that." "I guess, I am saying it differently now." "I wish, I had a time machine. Unfortunately, that's a fantasy." "It's misunderstandings." It makes more sense now reading the text: 2020/8/7/ 09:29 Rivera Michael

I have alot on my plate. I have alot of projets and responsibilities. I don't have total control of the Covid situation. but lasat year we went on Vacation as agreed for a month April to May, then Vietnam on May 7th to march 11th with one month vacation in the middle. 8 months in Vietnam. This was necessary in order to get us back on track and to honor my contract without getting in trouble in my country. I am sorry, if you are not happy with this but we had to do..

- 1 26. 11/18/2020-11/20/2020, he changed the room lock, preparing conspiracies. He even
 2 called community security to escort. "I thought he was a police officer because he's
 3 wearing a gun. So, I called police."⁴²
 4 27. I read the brochure about Domestic Violence from Officer, started to know about
 5 Domestic Violence and I finally realized and recognized Domestic Violence. I cried all
 6 night, wrote them a long text.⁴³

⁴² Refer to Police Report 2020-324971. I believe as a normal person, when it comes to a relationship, about some loved one, would choose to protect the relationship and the loved one. That's how I felt and what I did. I only reported the issues in the very recent. I am too different than MR, I didn't know what's important was not about perjury, frame, deceive, abuse, theft....., it's what it looks like, how it was said, how it was showed.

⁴³ Attachment 27, the related case number 21-1-05123-8.

While I was experiencing the abuse:

I think this is going to be the last time I text you. And I hope you can read this. And it's up to you. And if you choose to read. Please be careful it's gonna be very long.

I want an end for everything and also an end of texting you to tell you what I suffered because honestly I really don't share my personal stuff or situation that much. And I really am very extremely tired now and I really tried and waited. But it's pushing to this point. Nobody would like to see. But at least I want to end up in peace. And end up nicely to each other.

After two days ago I let you see he was spying on me right. I guess he was pissed. So, after he saw me in the rooftop lounge. He called a security guy to ask me to leave. I think the software also gives him my location. That's why I was using VPN to hide. And it sounds so pathetic to me. But I am still in the lease and paid. I even can be in the room by law. Even I didn't pay any. I still can. As long as I am also in the lease.

I always leave when I was kicked out. But the first time of this situation I didn't and I told him. I was allowed to be in there and he can't kick me out whenever he wants. And it's against to the law. I chose to stay and to wait. During the time he asked me about when I would go and my arrangements. At the time my ticket has been booked and it's 16th. They canceled some of the flights and mine was one of it. Which I think it's not his business and I told him that. He also asked me to talk to him. And I told him to wait until I can.

Before I talked to him. I asked for his promotion. And he said in about 15 mins. That's why I asked ildo to be a witness. She refused to be a witness but we decided to record the conversation and she would listen to that. Because he has made the situation too big by him telling all of you by his sayings already. I wanted at least as a good friend of him to be there as a witness to just listen he could accept. And he did.

About 4-5 hours later. He and ildo were talking. But I don't know who called who. And it might be ildo asked him about what I wanted to say. He told her I was just still gonna play something like that. But if he had read my preparations instead of spying. He could have known what I was going to say. In short. It's about "to be truthful" just like I texted ildo. I wanted him to know. Before he asks me to be truthful. He needs to be truthful. And he has been doing and talking to you guys. And I cannot accept him to ask me to be the way he even has been able to be.

About what he was saying to me. There are too many untruthful things. Like he put a camera in the room. Csilla had my hair tested. His dick was tested positive. And many. But he didn't think what if I test negative. And If I am tested negative but he has told me and you his dick was tested positive. Then he must have had sex with others. Only he cheated. He can be tested positive. Right? And I have the right to call them lies and him a liar. I understand we both were hyper. But during the time. He was threatening me and telling me he could call a police officer and he has a strong family so that he can get away from it. And his boss would take care of him even a lawsuit. Not too convincing actually I think. Even he was telling me. As an Asian foreigner I am not covered that much. I don't have any rights here. Things like that. Ildo can also see him texted I don't have any rights in the group text. He said those things for many times. Even I knew it's not true. Just like I knew he was lying when he was telling me. The police have my fingerprints and my DNA. As long as he reports I will be in the jail. Many things like that. I didn't fight back or defend myself from those. Because I was not only shocked but also very disappointed. And also, I didn't know what to say or act back. I started to feel he could be dangerous to me. He can be very extreme when he wants something. And I think he knew he has been lying about things. Just he doesn't want to admit. I guess he has convinced himself. And no matter how many things he needed to create. He insisted what he has convinced himself. I guess maybe you guys can feel or have

seen already. When he describes something he likes. He makes the good sounds better and the bad sounds worse. This is only my thinking. And I think it's no good no bad. Everyone does. But the levels are different. Just what he has done to me was too extreme. And I don't want to deliver the wrong information.

And it finally ended up he gave me a date to leave. The 16th. And it's accidentally the same date as my flight. And I got the email 14th about the cancellation.

Until the day I left. He constantly was still being that way. And we both were at least stubborn. But honestly I didn't lie. And everything I have texted you guys before. They are all honestly talking. But I don't want to say he was a totally bad person to me and I was totally good. We both had good and bad things but his were stronger maybe. He was better and worse.

As he called a security guy to ask me to leave. And I was afraid he might be extreme. And at the moment. I didn't know he was a security. I thought he was a police officer. Because he was armed with a gun.. very new to me you know. I knew I still had the right to just at the rooftop lounge because I was there only for the Wi-Fi.. I didn't go to him. He didn't see him. But he went up and saw me. And it's also after the group texts I gave you and I wanted him to stop doing that. He must be angry. I cannot speak for him but from his actions. I feel that way. And he should know now. Every time he involved you guys in the situation. How mad I have been about that. He even agreed not to do that every time. At least I didn't text anything I made up. Truthful pictures and honest sayings. Also, why I tell you not to look if you don't feel like. I really don't want to involve people. Because nobody can be just only justices but not taking sides. And the middle person will always be blamed.

I texted you guys. Only because I wanted to defend myself. Because when he talks to you. That's a matter between you guys not me. I joined you for my own justices. I want to have my right to justify. Nobody is here for me but only he was. But I was here only for him. So when he wasn't. I was totally lost and nowhere to go no one to reach. I could have called my ex-boss though. But he also texted him that. I decided not to say too much personal stuff to him so I just simply told him that I was sorry he's being involved and I suggested him to stay out. Now I am thinking I was too stupid I was being lazy to use my own right.

I can feel something when he asked all my cash from me. Especially after he told me he gave the girl 300. But I saw the 300 was in his bag and he took it out to pay for the 50s for the things only can be paid cash. He refused to say that was the 300 from me. But I saw the 300 were in two types. One is in one type and two were in another. It's just too incidental to be coincident. And his card was available and he was using them. I felt like something was up. And this kind of feelings. I always had. For example. After he broke my iPad and phone during the fight. He was saying like he put his Mac at the office. You know he always carries. And before he kicked me out in Bali. When I asked for my luggage and passport. They were all in some places. And others.. I don't want to be too mean.. I accept it's my overthinking. But just too many things happened in the same pattern for too many times.

This time the same. Before I used my right to stay back into the room. He has asked for the cash from me. Even though I planned to pay my cousin back. Which he promised me he would do. But he didn't. Ur. It comes to another thing. About 5 things I asked him to do and to be. And I actually said that was my condition. If he couldn't do. I could have left already. Because I only asked him to only not to use my identity to threaten me. Not to involve people if there's a next time and for he put a spy software in my phone and pad he needed to repair those. And the ticket. And he didn't follow but he even was telling there was no agreement. I was totally disappointed and that just shut me up at the moment. This is again like the same pattern. He uses pretty words to convince me to stay but he doesn't care if he does the same bad things to me again. I don't want to say he is a bad person for being that way. It's called not respect and not being responsible. Not only to me but also to himself. And I am sick of the game of him telling me if he tells me I can go back and stay so I became childish if I don't and the one chose to go. Be awake and be responsible for your own words. I chose to leave. Yes, but because you asked me to. If you don't take your own responsibility and admit to what you did wrong to me. How dare you open your mouth only to be sneaky and pushing away the responsibilities. I can be told I chose to go. So you need to also accept I tell you I left because you asked me to or even kicked me out. And if you remember what you said before I left. You were totally a disaster to me for saying that. And I am sick of him telling me you guys said what what what. I don't care if it's truthful he told me the same as what you said to him. But once it came out from his mouth. I consider he said so. only if he agreed or he was the one leading the conversation. So he can hear what he wants to hear. It's just how felt from it and I really don't know what's point and what's the satisfactions.

And I called 911. So the police came and I reported very cautiously. I only said about what happened this time and only mentioned about two things from past. Only because I guess I still love him. I didn't say anything about the defamations the times of he kicked me out I even didn't tell them he has been spying on me And I don't want this to be too bad in the end. But when I heard the security guy said something. And he lied even to everybody. I was honestly regretful for not mentioning everything. What does he gain from that and do you really do to hurt me to satisfy himself? Or for what? Why? How come?

28. Which was being considered as offense to MR, he perjured to get a protection order. He called police. (Report numbrt:20-324971) "we were dispatched to a DV Order Violation..." "S/Rivera only had a partial copy of the warrant, with none of the Law Enforcement Information. In addition, S/Rivera stated it was his only copy and he has not gone through the proper channels of having S/Deng served, at this time S/Deng had no knowledge of the order, nor had he been served. S/Rivera did not state to us why the order was placed, or needed, however, he wanted S/Deng away from him and out of the building. At this time, S/Deng was on the rooftop lounge not disturbing S/Rivera. S/Rivera asked us to notify S/Deng of the order and to escort him outside of the building. S/Rivera did not provide us with any detailed information." "I

But the police were nice though. He was so much nicer than I thought. For the images of America policemen from shows and movies. I thought if I didn't put my hands in somewhere they can see. I could be taken away. And he was nice enough to good me a small information book. There are pictures as below.

He was also nice enough to bring me a Chinese one. And he was the one only being nice to me all these days. Even I know that's his work. But only from him I felt some heat. I know you don't bare the responsibilities to be a certain way to me. And I didn't expect anything. I know where to put myself at. And I know where he put me at. I can finally decide to choose what's good to me. Not just to wait or decide what to do based on his position.

And this book is the reason I am texting you this long thing. And I know you actually don't need to waste time on this. But I really just want to be heard. And when I was reading this last night. Especially the part about what is domestic violence. It says it always be misunderstood like the fights and angers between the two persons in a relationship. But it's not. It's also not the argument or temple. It's a series of harmful activities about the one wants to control the other from their mind. Any way you can find a better definition than my translation..

I was crying so much when I was reading that. Of the signs of a domestic violence. He matches items and he knows he has control issues. But I really couldn't stop crying and Here I am typing you this. Just like I wrote. We both have good and bad. And even for everyone. I think it's normal to match some items. And I know he was still spying on me even yesterday. Even he was told not to just one day before and he knew it's wrong. I guess it's really how love works. And the characters were so heavy for me to read. It's my own language telling me. Even it's just simply some ink with papers. It carries so much. I guess I know I still love him but by reading that. I really need to let go and how much my tears were how deep my sadness are. As his friend. I don't want you to do anything for me. But I really hope you to let him know about that page. I don't want to decide or speak for you about how he is or what. I simply think it could be helpful to him.

And this is truly the main reason why I am typing you. I want him to stop being harmful and he needs to realize that. And again, I don't need you to have the same idea as mine and all the words about what happened before was a saying from an ex-husband. I really don't need to hurt him. I really don't find any satisfaction or anything like that. And I really want him not to continue what's he's doing or what's he planning to do. He has been pushing me too much already. Till this position and I am just in pieces and too heartbroken to get myself together to the relationship. he told me I am here for convenience. But the convenience is now hurting me badly. And I don't like the convenience anymore. So, I will protect myself if I have to. and I have the right to protect myself. And now I am almost out of cash because the tests are expensive though. Totally almost 1500 maybe because I don't have insurance. And some more days I will receive more. And honestly I talked to my mum. But I didn't tell her this kind of situation I am in. I really don't want her to be heartbroken as me. And I want to take a nap and decide how much further I will do. And I will have to say sorry in the front but I don't want to see your response. You can say I am being too selfish or whatever. I just don't want a chat and I want myself in peace. Thanks for the understanding.

Thanks for your patience if you just finished reading this. And it's a long work for me and a long work for you too. I hope you didn't find your time wasted and I do really feel kind of embarrassed to type you this long. But at least. This could be some gossip when you chat. Right?

1 showed S/Deng the copy of the temporary protection order and explained to him the
2 orders. There was a language barrier between S/Deng and I." "S/Deng took photos of
3 the copy, and stated he understood the conditions of the order. S/Deng stated,
4 S/Rivera asked him to leave the apartment three days ago, voluntarily. S/Deng stated,
5 he gathered some of his belongings and left the apartment to stay in a hotel for a night
6 or two. S/Deng stated, S/Rivera took all of the cash S/Deng had on his person's that
7 night. S/Deng stated, upon coming home, his locks were changed and security was
8 telling S/Deng that he no longer lived at the residence anymore. S/Deng stated to
9 me, that he is on the lease and paid half of the deposit and is in possession of a
10 building Key FOB. In addition, S/Deng stated, S/Rivera cut off S/Deng from their
11 cellular plans, as well as declined his bank card in their joint account on 11/19/2020.
12 S/Deng stated, he had no funds and is unable to contact any friends or family,
13 unless he has WIFI. S/Deng stated, he was unable to stay at a hotel due to lack of
14 funds. S/Deng stated, he had booked a ticket to go back to China on 11/16/2020,
15 however, the flight was cancelled due to COVID-19, and rescheduled for mid-
16 December. S/Deng stated, he had nowhere to go, and S/Rivera knew of this
17 information. S/Deng stated, there has been nothing physical between the two of them
18 and doesn't understand why S/Rivera is doing this. S/Deng stated, S/Rivera accused
19 S/Deng of using drugs and of an affair. S/Deng did not appear to be under the
20 influence of any narcotics or appear to be a narcotics abuser. S/Deng stated, at this
21 point, he was trying to find a way back home to China and to end his relationship with
22 S/Rivera. S/Deng stated, this has been an ongoing issue where S/Rivera has made
23 S/Deng leave there residence before. S/Deng stated, there was no disturbance today
24 and did not see S/Rivera. S/Deng stated, he was unsure of how S/Rivera knew S/Deng
25 was inside the building. S/Deng stated, he believes S/Rivera is tracking S/Deng through
26 some phone app. "After walking S/Deng out of the lobby, I saw S/Rivera standing
27 around the corner, near the elevators. Officers told S/Rivera to stay in his apartment,
28 while we got things sorted. S/Rivera stated, he overheard my conversation with

1 S/Deng and did not want to financially incapacitate S/Deng or make him homeless,
 2 but stated, S/Deng "needed tough love".

3 29. The shamelessness and inhumanity were more than obvious compared to the fact or
 4 from what was reported without prejudice. In addition, my statement stayed in the
 5 same logic all along, when I got to know more about the truth, the statement got more
 6 substantiated.

7 30. 11/20/2020-01/20/2020 At the shelter, I was in a breakdown, I vomited blood,⁴⁴ I was in
 8 desperate. It's his second time forcing that hopelessness on me. MR was not satisfied,
 9 he asked Charlie Joe Wing to detect my movement, to spy on me and to report to him
 10 when Charlie Joe Wing made a promise he would not. I was in the most vulnerable
 11 status, I put down my guard, didn't realize those abusers and traps.

12 31. Ildiko Baldwin, Remington A. Yhap Csilla Travis were all his weapon and collusions to
 13 secondary damages. All of them had nothing in real, they kept bringing up MR until I
 14 couldn't stand the prejudice and secondary abuse, I blocked them. All the conversations
 15 became materials to frame me by misleading and perjuries. Their declarations are not
 16 logical, without any common sense, but well designed by timeline⁴⁵. Their discussions
 17 on messenger are the best proof.⁴⁶

18 32. MR filed to the court perjured and claimed a recent third-party contact happened as
 19 violation with a screenshot intentionally taken without the "clock" from cell phone 19
 20 hours before hearing in order to have me no time and chance on preparation. As fact,
 21 that's another conspiracy.

⁴⁷ The "drug" was an excuse and strategy to transfer focus away from the situation of being suspected and exposed from frauds and abuse.

⁴⁸ There, MR still claimed me as "husband", he was claiming "You (Ildiko Baldwin) have the paperwork. (About marriage)" "You (Ildiko Baldwin) know we are based on documents..."

⁴⁹ Match with his medical records, there was no surgery at all. Acting and playing sick/weak is his best skill. There are court records where he declared (perjured) "treatment for cancer in China." (Attachment 28) against to the fact but brought him a pity from the judge such like "hope the treatment goes well".

⁵⁹ Attachment 36 case dockets.

⁶⁰ (a) Preserving a Claim of Error. A party may claim error in a ruling to admit or exclude evidence only if the error affects a substantial right of the party and:

(1) if the ruling admits evidence, a party, on the record:

(A) timely objects or moves to strike; and

(B) states the specific ground, unless it was apparent from the context; or

(2) if the ruling excludes evidence, a party informs the court of its substance by an offer of proof, unless the substance was apparent from the context.

(b) Not Needing to Renew an Objection or Offer of Proof. Once the court rules definitively on the record — either before or at trial — a party need not renew an objection or offer of proof to preserve a claim of error for appeal.

(c) Court's Statement About the Ruling; Directing an Offer of Proof. The court may make any statement about the character or form of the evidence, the objection made, and the ruling. The court may direct that an offer of proof be made in question-and-answer form.

(d) Preventing the Jury from Hearing Inadmissible Evidence. To the extent practicable, the court must conduct a jury trial so that inadmissible evidence is not suggested to the jury by any means.

(e) Taking Notice of Plain Error. A court may take notice of a plain error affecting a substantial right, even if the claim of error was not properly preserved.

⁶¹ Rule 105 – Limiting Evidence That Is Not Admissible Against Other Parties or for Other Purposes

If the court admits evidence that is admissible against a party or for a purpose — but not against another party or for another purpose — the court, on timely request, must restrict the evidence to its proper scope and instruct the jury accordingly.

 8 anything about US codes or RCW in English. If some robots learned the laws, rules, they

10 38. The misconducts and disabilities are nothing peaceful but abuse and torture, these
 11 courts have no connection to justice, the laws and rules have no different than dogmas,
 12 their authorities are supremacy, the governorships are dictatorships.

13 39. MR sold out all the shared properties online⁶⁶ including my passport, devices, evidence.

14 40. Referring to Police Report 2021-013432 and Attachment 39, MR violated protection
 15 order on 01/16/2021, 01/17/2021, 01/20/2021. He went to the apartment every day

⁶⁶ Attachment 38

comes to the building every day, always tried to ask where I am, he came by on the Saturday morning to avoid meeting the other staffs.

41. King County Superior Court judge, on the hearing for case No. 21-2-18169-2, 21-1-05123-8, 20-2-17997-3. ““There are lots of declarations, but don’t worry I’ve read all of them6.” “Depend on (dismissal) the result (20-2-17997-3), you can come to me, and I will assign7……” while it was the same judge dismissed 20-2-17997-3 but issued 21-2-00897-2. And it was ironclad evidence that Miguel Rivera violated DVPO for trespassing on the protected resident with the photos as the proof filed by himself to the court. I was harassed, tortured in the most vulnerable timing, was struggling for surviving. The judge ignored what’s real, the violations, their perjuries, claimed as reviewed all the group’s declarations but couldn’t even notice the paradoxes, allowed him to violate DVPO, refused to view all my response. The standard was not to judge based on facts but to decide on how many declarations. Most importantly, of all his responses except their countless perjuries, Miguel Rivera did not deny or testify for any alleged offences.

42. On 01/23/2021, around 12am. MR literally broke into my room, his protection order was not for protection, it was to abuse and to torture. There was a guy he brought called his witness. Who witnessed MR broken in, threatened, I was tearing and shaking, knowing more of who he is.

43. I called 911, though police officers didn’t do anything about the broken in, they trespassed into the room to serve me the court paper. (Attachment 2 and Police Report) I was in the bathroom, crying. They just accessed my room without my permission or any other permissions.

44. SMC, SCA know the unlawful service, I had emphasized human right on every hearing. They just ignored, neglected, their omissions and silence are the best proof that the officers trespassed. Pursuant to the law, the unlawful service and violation of the fourth Amendment are already enough for the dismissal.

1 45. After times after time there was no response or lawful process to my motions. I filed
2 reports to King County Attorney.⁶⁷

3 46. On 7/7/2020, county attorney reached out to me and asked for criminal details, I
4 provided all the evidence, including the communications with Lee County Sheriff from
5 Florida State, the reports to FBI, the identity theft report from FTC, report from SSA.....

6 (1) "as a result, we cannot answer your legal question."

7 (2) "We file cases only after they (law enforcement) have been investigated and referred to
8 us by law enforcement."

9 (3) "After contacting the police, you may be informed that the matter is civil in nature."

10 Though as a fact, I didn't try to ask any legal question, I tried to report crimes. The law
11 enforcement had investigated and referred to the King County Attorney, KC Prosecutor
12 Supervisors D. Martin and B. Maryman. Police Report 2021-082422. After contacting
13 the police, I was not informed civil in nature, while she was provided police report of
14 crimes.

15 47. And again, as negligence.

16 48. On 6/30 hearing, around the same time section of the hearing on 6/28. both judges
17 denied my motions, claimed those as non-relevant with the same sentence. Both of
18 them asked me the same questions at similar time section on two different hearings:

19 (4) Is it necessary for me to have an interpreter?

20 (5) If so, how come the documents I filed were in English?

21 49. Forget about that the queries were hostile, ran counter to Chapter 2.43 RCW, it
22 appeared they were following the same instruction, otherwise too incidental.

23 50. I then asked for reasons why dismissed and not relevant, emphasized pointed out
24 crimes verified on my brief and what action will be taken facing, what if the prosecutor
25 is abusing her power. Then the judge warned me of potential penalties to as a pro-se,
26 stated what I filed were "facts", which should be exhibited to the jury instead of the
27 court, and that's what the court could provide me. She stated the public defender

⁶⁷ Attachment 37

1 makes right decisions, and if it was her, she would not file them to the court and asked
2 him "Right?". He laughed and agreed. Who never voiced any facts, ignored what he
3 received, violated my right of privileged communications, stated that's how much he
4 could do since free. It must be non-relevant that the protection order was not valid by
5 unlawful service. It must be non-relevant that the fact I don't possess my passport, all
6 my properties were detained or sold by the other party. So that I had been homeless
7 stayed 45 days in the street. Eventually I couldn't provide anything on file to pay the
8 bail to the agencies. It must be non-relevant about the perjuries. It must be non-
9 relevant that I had proofed Miguel Rivera is a bigamist, scam artist.....a total criminal
10 with countless crimes. Nothing would be enough important to be non-relevant.

11 51. The judge stated the city will be in charge of crimes, she didn't know/response what to
12 do with the other situation. Then I asked again for their reasons to dismiss. I stated the
13 court had gone into the opposite direction, I never abused Miguel Rivera, but he did. I
14 asked why the prosecutor had been holding on my documents/evidence away from
15 records. Why there is no penalty or cost for Miguel Rivera's countless crimes. Even the
16 order itself was not valid with unlawful service.....

17 52. The judge only focused on warning me outcomes and possible sentences as pro-se
18 and passed my questions. She only had a short pause about the unlawful service but
19 soon ignored. She told me only after the final decision, I have the chance to appeal, like
20 the decision she made. Later she asked for the prosecutor's charges. While she asked
21 me to stay quiet because my attorney will "represent" me. The prosecutor cracked her
22 fingers turned out to be more abusive/malicious proposed absolute malicious and false
23 charges for violations, stated I hacked MR's social media accounts, then I got his
24 friends' address, where I sent him divorce paper to when he's attending a "funnel" in
25 Florida. Which I believe it's a lie.

26 53. On the other hearing, her violation charges were for some phone calls to his building
27 and photo of me which Miguel Rivera claimed next to where he lives. So that he had to
28 move. I responded on my statements as "Miguel Rivera stole my iPad full of evidence,
29 there were locations from apple.com. How was I able to locate his room number only

1 with that uncertain information. If he's afraid of me, why moved to somewhere only two
2 blocks away. It's his abusive controlling and the best excuse to abscond."

3 54. There was no reply from the prosecutor, no cost for Miguel Rivera's theft and destroy
4 of evidence. Now what I predicted becomes facts, judges authorized her, she offered
5 him immunities.

6 55. Ironically, I had filed proofs to both courts previously before hearing. While it is for sure
7 the court didn't review contexts on my motions. Since obviously they followed some
8 same agenda with instructions, what's the point of hearings? Where is the
9 independence? Since the judge stated the two attorneys are always right and make
10 right prosecutions, what is her function to the court as a judge?

11 56. Further, Miguel Rivera's friend Ildiko Baldwin, wasn't even honest about her address on
12 her declaration. It was the FedEx operator, he found errors to match the address with
13 the postcode. (The recent discover explained above) Why did not she provide her right
14 address? While it was the notice of appeal being sent/served. The certificate/proof of
15 service was filed to both Seattle Municipal Court and King County Superior Court.

16 57. The divorce notice was sent to his attorney Mr. Timothy A. Lechner through E-mail. It
17 was the best sample of Miguel Rivera's perjury, and how good at making big lies out of
18 small non-relevant facts. It was also malicious charges that she never verified
19 authenticities but kept abusing. Kept abusing and abusing her discretionary power. So, I
20 filed motions, tried to seek just. I never thought the judges were on the same boat.

21 58. Pursuant to RCW 34.05.437. The judges failed to procedure lawful response and proper
22 reasons for the dismissals. The city attorney does everything possible to encourage
23 crimes. There is no penalty of crimes, the judges screen criminals. The court does its
24 best on framing and convicting me of false malicious crimes. The Municipal Court had
25 thoroughly lost its function.

26 59. Shamelessly the judges decided to put me in custody. When I finally bailed myself out,
27 they stated as "I didn't know he's out." Is it such a nature for them to put innocent
28 people in jail? Where is the shame? humanity? dignity? It was really such a blasphemy
29 to justice. The rest procedure was so quick like they have "rehearsed". It was the only

1 moment the public defender volunteered doing something. He participated in the
2 order for evaluation. The public defender explained to me that the court may dismiss
3 the case depends on the result of evaluation. After experiencing another week of
4 torture in custody, finally I got out and searched the meaning of that order.

5 60. On the surface the court ordered evaluation for competency skillfully. Their real
6 purpose was to stealthily visualize me with incompetency. So that even if what I filed
7 were truthful, they have excuses and can claim it's my fault for incompetency. They
8 officially delayed the day of "final decision" from August to November so that I couldn't
9 appeal to higher courts. As the smartest strategy, they whitewashed themselves and
10 slandered me. The most sneaky and nasty part is no matter what competency, the
11 result will either be I'm "crazy" or guilty, so that either I'm in custody guilty or I'm out
12 custody "crazy". Since the evaluation requires me to appear in person, and from the last
13 experience, there are too many excuses and different ways to shut me up. With their
14 best excuses and speeches to the higher courts as "There's no final decision" and "He's
15 crazy.". Such a design. Such a good countermeasure. What a pity on illegally abusing
16 and bullying.

17 61. Here I clarify myself again, I am graduated with biology engineering master's degree.
18 Language barrier is not incompetency, neither as excuses to frame, slander, and abuse
19 me.

20 62. I was released on 7/6/2021 around 9-9:30 am, in custody since 6/30/2021 for
21 appearing in person to quash warrant in Seattle Municipal Court Room 902 around
22 11:30 am. Which caused the failure of appearance for the hearing on 7/6/2021. Though
23 no matter how many times I tried to seek responses, call, and leave messages to King
24 County Superior Court around 10 am. and 12:30 pm. I left message to the Municipal
25 Court and City Attorney's office as well. There was no response from neither the
26 Superior Court or Municipal Court and City Attorney. I don't understand only just to be
27 informed I don't have a right and until now nothing in return.

28 63. Later I thought it was a hope there was a county attorney responded and asked for
29 details. Which turned out to be another hurt when she played the game of kicking balls

1 stated they can only take actions when receive reports from the law enforcement, which
2 they do not have. I guess 2021-082422 and 2021-183800 were fake.

3 64. After surviving from Miguel Rivera, I thought it was a hope, so I finally felt relieved from
4 everything, did not have to fight alone; it should be easy for them to identify the nature
5 especially with that many proofs and evidence I submitted. But Immediately I even had
6 to be put through with waves of further polyploid extended abuse. If it's heartless or
7 whatever but how injustice how nasty a court needs to be, how blind how abusive it
8 needs to be again, how inhumane how sick again and again. I can't know, I don't know,
9 I don't want to know.

10 65. Against my family, I came out to be with him. Left home, I didn't care any elements,
11 otherwise I could have gone back home previously being abused. He's my first
12 relationship, he taught me love, I put all myself in. Though there were arguments then
13 he used to kick me out, sometimes took away my belongs like suitcases money
14 passport. I cherished, protected, stayed, believed. But there were too many times I had
15 experienced hopelessness, so there he promised, then with audios, then videos, and
16 into contracts, eventually into nothing but empty. Nothing changed, nothing stopped,
17 like nothing to him. Until it turned into abusive litigations, I learned what was the real
18 desperate.

19 66. His abuse is killing. Framed me from new made friends here to people on the other side
20 of the earth, he could even hurt my mom two days before her surgery. It is too easy for
21 him to destroy. He has no shame humanity and moral to me. I don't see a sign of
22 bottom line to place a limit. You can never image how whole and deep. You can never
23 know how it is to wake up in the streets. You can never know how to become used to
24 nightmares. You can never know how to stop tearing sadness. You can never know how
25 to live without yourself. Touches are still touches, voice is still voice, lights are still lights,
26 the world is still the world, but everything has changed.

27 67. I filed statement "Pattern of Secondary Damage" last year. I had declared/predicted that
28 courts were his new subjects he plays the victim to, as well as his weapon. I predicted
29 his reactions; I exhibited a future picture from the history. But I mistakenly thought the

1 courts were where to seek justice. Finally turned out to be another version of Miguel
2 Rivera in judicial way. The same double standard shameless abusive, evade their
3 unlawfulness, exaggerate, and forge. The worst are the certifications authorizations. The
4 court itself is the rule maker. There are too many ways to sculpt things into the shape
5 they want you to be. To find out a dead end in a quarter justice from the pint court is
6 my worst self-expostulation.

7 68. On the date of 9/29/2021, I had been having a fever for around 3 days, I sent the public
8 defender a video of self-testing. My body temperature was 99 in Fahrenheit Celsius, I
9 also told him it was 99.2 in the morning. I had a headache and to follow the rules and
10 policy to the Covid-19, I didn't have the ability to attend the hearing. Though based on
11 that, the court granted warrant. With another excuse of not participating the "order" of
12 Valuation. Regarding to RCW 10.77.240 Existing rights not affected, I shall be given the
13 right to speedy trial, jury, legal court procedure, etc. RCW 71.05.050 Nothing in this
14 chapter. (Title 71 RCW MENTAL ILLNESS) shall be construed to limit the right of any
15 person to apply voluntarily to any public or private agency or practitioner for treatment
16 of a behavioral health disorder, either by direct application or by referral. The court
17 forced the valuation, I repeatedly refused the valuation. While according to RCW
18 71.05.236, (1) (a) (b) The continuance or delay without showing of good cause and Such
19 continuance wasn't in the proper administration of justice and I had been substantially
20 prejudiced in the presentation of my case.

21 69. MR's multiple identities.

22 Refer to report to SSA, and attachments. He has one SSN in PA, another one in CA, and
23 very possibly another in FL.

24 70. Refer to appendix 3, the court records from other states, there, the perjuries were
25 documented, bigamy, marriage fraud, abuse, identity theft, fraud,.....including drug
26 trafficking, MR has at least three social security numbers, he has ruined that many lives.
27 Everything is too conclusive-that's why SMC, SCA, KCA, KCSC, all of them never had
28 any response-that's why even Miguel Rivera himself couldn't, didn't-that's why when I
29 noticed the judges only focus on the numbers of declarations instead of truth and facts

1 I realized, understood, learned why MR has been a certain way- "the system raised a
 2 monster like him-MR adjusted himself to the system-because courts never were the
 3 just, they are individuals-therefore they discriminate, they don't care human rights, they
 4 never opened eyes, they don't need truth-because only the SMC, SCA prosecute, they
 5 decide what's crime, who's criminal-then they abuse the decided criminal, abuse their
 6 discretional, dictatorial powers-as discretional, the ones talk are just them, the ones can
 7 be heard are only them-they are the story teller. Thus, as results and the fact, since
 8 then, there was not one second they stopped abusing, there was not one moment I
 9 wasn't enveloped with the criminal shadow, there was not one day as one day, there
 10 was not one centimeter they have stepped in the justice direction. Though I kept trying,
 11 I never stopped yelling asking the courts and prosecutors to be legal, it's a shame, it's a
 12 disaster, it's desecration, it's inhuman, it's humiliating, it's disgrace, it's criminal.
